### THE QUESTIONS

1. "WHAT DOES GOD THINK OF THE LGBTQ+ MOVEMENT?"
2. "HOW ARE CHRISTIANS TO RESPOND TO PEOPLE IN THIS MOVEMENT?"

### THE ANSWERS

#### "WHAT DOES GOD THINK OF THE LGBTQ+ MOVEMENT?"

1. What does God think about the \_\_\_\_\_ of the movement?
  - a. God loves the people in the LGBTQ+ community. (John 3:16)
  - b. Jesus died for the people in this community. (1 John 2:2)
  - c. God wants all of them to believe on Jesus and be saved. (2 Peter 3:9)
2. What does God think about the \_\_\_\_\_ and beliefs of the movement?
  - a. We can confidently say that God loves people, but we can say just as confidently that God does not agree with the \_\_\_\_\_ and beliefs of the LGBTQ+ community.
  - b. God loves everyone, but that doesn't mean He affirms everything we do.
  - c. The Bible is very clear that God designed male and female, and that marriage was designed to be between one male and one female. Everything else is a perversion of God's plan.
  - d. Genesis 1:27; 2:24; Matthew 19:4-6; Romans 1:26-27; 1 Corinthians 6:9-11

#### "HOW ARE CHRISTIANS TO RESPOND TO PEOPLE IN THIS MOVEMENT?"

1. Recognize that everyone's first need is the \_\_\_\_\_.
2. Respond with \_\_\_\_\_ and \_\_\_\_\_.
  - a. First, GRACE.
    - i. We need to treat everyone with love and respect. (1 John 4:8; Romans 2:4)
    - ii. Christians should not mock, hate, demean, or belittle people of any belief.
  - b. Second, TRUTH. (Eph. 4:15)
    - i. Love without \_\_\_\_\_ is not love.
    - ii. Pointing people to truth does not mean you are "harsh" or "condemning," and being "harsh" and "condemning" is not the way to point people to truth.
  - c. We are not supposed to be all grace and no truth, neither are we supposed to be all truth and no grace. Love people and be \_\_\_\_\_ about what God says.
  - d. 1 Corinthians 13 = Without love, truth sounds like \_\_\_\_\_.
3. Remember God can \_\_\_\_\_ any life.
  - a. 1 Corinthians 6:9-11
  - b. God did not tell us, "\_\_\_\_\_." He tells us to come to Him and He can transform our lives.
